ORGANIC SINGLE ELIXIRS with Bach flower essences

To overcome life's difficulties

ORGANIC SINGLE ELIXIRS with Bach flower essences

I - FEARS

ROCK-ROSE

If you suffer from panic attacks, acute fears who leave you paralyzed.
If you wake up because of nightmares.
Brings back calm, gives the strength to face an emergency.

MIMULUS

If you are afraid of something specific or if you are nervous, shy, too sensitive.
Gives the courage to face your fears and to open up to the others.

CHERRY PLUM

If you are afraid of losing control of yourself in some situations, or if you experience erratic, irrational thoughts.
Brings calm, inner-peace and sanity.

ASPEN

If you are troubled by vague, haunting apprehensions or premonitions or if you experience some anxiety for no specific reason.
Eliminates these obsessions and brings relief, helping you face the unknown.

RED CHESTNUT

If you worry too much about the others and not enough about yourself, willing to sacrifice your interest to protect the loved ones from an uncertain future.
Delivers from fear and obsession of the future, helps regain trust in life.

II - DOUBTS & UNCERTAINTIES

CERATO

If you lack self-confidence, if you always need someone's approval or if you are easily misguided.
Helps regain confidence and facilitates assertiveness.

SCLERANTHUS

If you suffer from mood swings and from extreme variations in your energy levels, going from apathy to hyperactivity. Also helpful if you cannot make clear decisions. *Balances emotional and physical states and gives the force to choose.*

GENTIAN

For those who suffer from a depression of known origin or who are forever pessimistic and easily discouraged by minor obstacles.
Helps regain faith and optimism.

GORSE

For those who think that nothing can help them and who have given up hope.
Brings a renewed hope and the will to try and find a solution.

HORNBEAM

For the monday-morning blues, caused by the burden of routine: too much of the same, not enough new experiences or challenges.
Revitalizes, gives the strength to break apathy and try something new.

WILD OAT

If you suffer from a lack of purpose or direction, uncertain of which path to follow and unable to make a commitment.
Helps making choices and defining goals.

III - LACK OF INTEREST

CLEMATIS

For the dreamers and the absent minded, as well as those who feel drowsy and would not stop sleeping.
Helps to focus and be more efficient, brings back to reality.

HONEYSUCKLE

If you have a tendency to live in the past, obsessed by nostalgia and by the thoughts of what you have never achieved. If you are homesick.
Restores involvement in the present and helps planning for the future.

WILD-ROSE

If you lack interest, desire and passion in life, leading you to be resigned and lazy and without a drive.
Fills with a spirit of joy and a taste for adventure.

OLIVE

If your energy levels have been drained by stress and you need both mental and physical renewal.
Helps restore a state of mental and physical freshness.

WHITE CHESTNUT

For those who are overpowered by unresolved, obsessive thoughts which may even haunt them at night and make them sleepless.
Brings back a calm and clear mind.

CHESTNUT BUD

If you worry too much about the others and not enough about yourself, willing to sacrifice your interest to protect the loved ones from an uncertain future.
Delivers from fear and obsession of the future, helps regain trust in life.

MUSTARD

If you experience a period of gloom and doom, for no specific reason: everything seems dark and you have no energy.
Brings back clarity and helps shake things up and see the bright side.

IV - SOLITUDE

WATER VIOLET

If you are too proud, reserved and withdrawn or if you have have isolated yourself and become self-reliant because you despise those around you.
Helps being more open and accessible to the others.

IMPATIENS

If you are impatient, irritated by constraints, by slow people who limit your achievements.
Helps regain a gentle, tolerant and forgiving attitude.

HEATHER

If you long for company in order to talk about yourself and about your problems with an audience.
Opens up to the others' needs, restores tranquility and kinship with all.

To overcome life's difficulties

ORGANIC SINGLE ELIXIRS with Bach flower essences

V - VULNERABILITY & EMOTIVITY

AGRIMONY

You are suffering or you feel inadequate, but you hide it under «a brave face». You worry but keep on pretending that everything is fine.
Helps you communicate with others and express your feelings more easily.

CENTAURY

For those who are too kind, quiet, gentle and anxious to serve and end up being too weak and dominated.
Restores self-confidence and the ability to establish balanced relationships.

WALNUT

If you feel unable to cope with changes and vulnerable to new situations or during a period of transition.
Helps get rid from unnecessary «baggage» in order to face the future.

HOLLY

If you experience jealousy, envy or resent and if you suffer from a lack of generosity towards the others.
Helps feeling love and compassion.

VI - SADNESS & DEPRESSION

LARCH

For those who feel inferior, not good enough and who do not try to do things for fear of failure.
Restores self-esteem and self-confidence, helps to try new ways.

PINE

For those who are too critical of themselves, who systematically take the blame and apologize for things beyond their control.
Relieves the sense of guilt and improves self-image.

ELM

If you feel overwhelmed with responsibilities and unable to cope with the task at hand, burdened by a feeling of inadequacy or incompetence. *Gives the strength to perform and brings back confidence.*
